MEDICAL REPORT

RE: HASSAN YUNUSA/ MALE/28 YEARS

This is to inform you that the above named person suffers from **abdominal pain and Chronic Stomach Ulcer**. This disorder was diagnosed due to the patients' complaint of symptom of dull pain in the stomach, weight loss, heartburn, and anemia.

Following the diagnosis, he has been placed on rigorous regime of drugs and medical testing.

In view of the above, the bearer is hereby advised to be close to his doctor and relatives in case of emergency. So kindly use your good office in deploying him back to **FCT ABUJA** for proper medication and monitoring by his physician as this is essential for the management of the illness.
